GENERAL

CAPITAL PROJECTS

5.Proposition 68 Well 6 Water Treatment Plant

Construction is complete, pending a few warrantee items. Start up was initiated under the review of DDW. Full operation is pending test results that confirm the treatment is reducing arsenic concentration below the maximum contaminant level.

Recommended Action: Board's Pleasure.

6.Proposition 68 Drinking Water Construction Grant for New Well No. 7

Construction is in progress. Site work is nearly complete, and the pipeline crossing Henderson is being installed. Completion schedule is pending activation of PG&E service to the site.

Recommended Action: Board's pleasure.

7.ARPA West Side Tank Project

A funding agreement for the West Site Water Storage Tank has been executed with Fresno County. Design is in progress. Plans and specs have been submitted for final reviews and approval to advertise for bidding.

Recommended Action: Board's pleasure.

8.Drinking Water Planning Grant for Well 3 & 5 TCP Treatment

90% Design for TCP treatment at Well 5 is complete.

A construction funding application has been submitted for TCP treatment at Well 5.

A project completion report has been submitted.

Recommended Action: Board's Pleasure.

CDBG PROJECTS

9.CDBG Project No. 23111 Well 7 Standby Generator

The Well 7 Standby Generator Project is no longer being funded. HUD has made a determination that Caruthers CSD does not meet the low- and moderate-income requirements of the program.

We will try to determine options for preparing an income survey to allow for future HUD funding.

Recommended Action: Board's Pleasure.

FUNDING APPLICATONS

10.SWRCB Application

A funding assistance application was submitted in January 2023 for a water main looping project at Tahoe, Mt. View and West Avenues. The State Department of Financial Assistance has determined that this project will not be funded in the 2024-25 FY due to State budget constraints.

Recommended Action: Board's Pleasure.
